

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Please watch out for the American people, not corporations. The media of America sickens me the way it filters out what it wants the consumers to see and hear, and avoid what they really need to know. The war with Iraq is proof that the media is out of control now and is a complete sham. FREE THE MEDIA NOW. FREE THE MEDIA NOW. FREE THE MEDIA NOW. It is your responsibility to the people. Give the people back their voice. I thank you for considering these thoughts.
